

Tai Tung Sun Chuen St. Teresa Kindergarten

February and March school calendar

Dear parents, the followings are the school activities which will be held in February and March.

- (1) **The second term has begun:** I wish you all to be strong and a happy life!
Wish everyone Good Health and Good Luck!

- (2) **Celebrating the Lantern Festival:** The fifteenth day of the first month of the lunar calendar is the "Shangyuan Festival", also known as "Yuanxiao". This year the fifteenth day is on 15th February, 2022. The school planned activities for children to make and eat soup balls, together enjoy the lantern garden tour. However, due to the suspension of face to face classes, the activities cannot be held. Therefore, we invite parents to tell stories, make lanterns and eat soup balls together, so children can get to know more about Chinese traditions and culture.

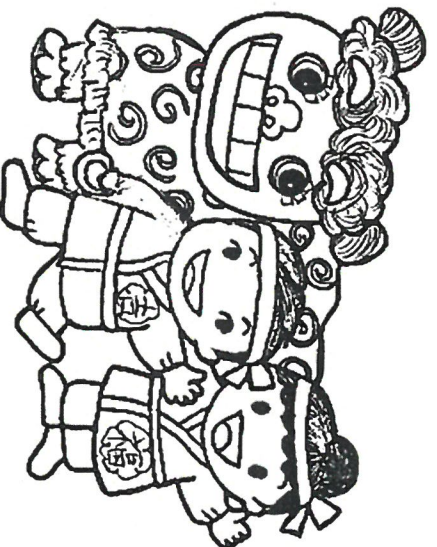

- (3) **Face-to-face teaching is changed to online:** The school has suspended face-to-face teaching until 21st February, 2022. During the suspension period of face-to-face teaching, the school will continue to teach online. Parents can assist the children to learn online.

Besides, please come to the school on 8th February, 2022 or 9th February, 2022 to collect homework, homework and supplementary learning materials. Parents should assist the children in completing the homework in order to enhance the learning effectiveness and able to achieve the purpose of "suspending classes without stopping classes".

If the government announces that classes will continue to be suspended, schools will continue to teach online. Parents may come to school on 3rd March, 2022 or 4th March, 2022 to pick up homework materials at school.

- (4) **Return to school for normal classes:** Please pay attention to government announcements. Let the children go back to school happily.

- (5) **To seek parents' opinions on the "One Person Two Books Reading Program":** Parents are requested to complete and return the "One Person Two Books Reading Program Response" booklet. For school reference and improvement. Thank you!

Yours Sincerely
Principal Wu Chiu Ha
